Test Results

Result: Passed 12/20/2018

Definitions of Results

Passed: A package, with article, that has passed all the Fedex Standard Testing Procedures. For commodities restricted under Liabilities Not Assumed in the Fedex Service Guide, Service Guide Terms and Conditions will take precedence.
Failed: A package, with article, that has failed all FedEx Standard Testing Procedures.
Pending: A package, with article, that has been tested to all FedEx Standard Test Procedures. Confirmation of results is subject to customer inspection.

Comments and Packaging Recommendations***PASSED TEST****Prototype Packaging**

This package has passed all testing conducted with no product damage or packaging failure.

Peak compression force was (194) lbs with a deflection of (0.07)", thereby meeting (100)% of the target (194 lbs) resulting in a pass.

This testing has been completed per the ISTA 6-FEDEX-A protocol.
